Subject: sorry I can't make our 10/5 meeting

Hi Ann,

Please accept my apologies for needing to cancel our meeting that we had planned for October 5 before the CLP meeting next week. I will not be able to make the trip to Columbia Falls this time. I was looking forward to meeting you in person and I hope we get the opportunity again soon.

Thank you,

Hi Robert. I think 2 should work well. Can you suggest a location since this will be my first trip to Columbia Falls? I look forward to meeting you in person. Ann

Hi Ann,

Yes, I can meet you for a beverage before the meeting on the 5th. I plan to be there 2 pm 10/5. I have some things to do in Columbia Falls but I can be flexible with my schedule. Does 2 pm work for you? or anytime between 2 and 6 pm?

Glad you are coming up!

Hello Robert. I'm going to come to Columbia Falls a day early for the CLP meeting. Would you have any time to have a cup of coffee either Oct. 4 or early on the 5th? I'd like to introduce myself in person and chat about the project a few minutes.

Thank you, Ann Green

Hi Vonda,

This looks o.k. from my perspective. Something to consider to add under the CLP section is that agendas and minutes of past CLP meetings are available on the CFAC CLP webpage. That may be valuable information for people who missed previous meetings.

I do plan to attend the OCT meeting. Thank you Vonda!

Importance: High

Good afternoon Mike and Robert.

Attached is the brochure CFAC plans to issue to the community list we maintain. It will go out as soon as it is printed, which should be early next week. Please share your thoughts by 9 a.m. EST, Wednesday, September 13. If

Ann or I don't hear from you, I will presume all is good. We will be watching for a response from you.

Kind regards,

Vonda B. Matthews
